

ARMADILL®

COMPOSITE DECKING

DESIGNED *for* BEAUTY.
MADE *for* LIFE.

ARMADILLODECK.COM

LIVE, LAUGH, LOVE YOUR COMPOSITE DECK.

Armadillo® is the premier low maintenance, high quality exterior composite decking brand in the world. As the preferred choice for homeowners and builders, Armadillo's durable and eco-friendly deck boards offer the elegance and warmth of natural hardwoods in a beautiful range of colors and finishes.

Check out our inspiration gallery at armadillodeck.com

Beauty Unlike Any Other

Armadillo is the most beautiful composite decking available on the market today. Choose from a variety of elegant, trend-inspired colors and finishes for an unmatched real-wood appearance that lasts a lifetime.

Armored Against the Elements

Armadillo composite decking is wrapped in a polyethylene protective shell to create a natural wood grain finish and protect against fading, weathering, stains, mold, and mildew.

Armadillo's coating is permanently fused to its composite core. The unique composition of the outer layer provides better control over pigmentation, resulting in denser, richer color, more variation, and a more realistic look.

Low Maintenance

Armadillo is the ultimate choice for a low-maintenance, high performance composite deck. Armadillo decks will not rot, warp or crack and are wrapped in a protective shell to protect against fading, weathering, stains, mold, and mildew.

Armadillo's exterior naturally shrugs off stains and stands up to the damaging effects of the sun. Keeping your deck looking its best requires little more than a little light sweeping. Generally, most dirt and grime can be removed with a garden hose, soap and water. If shoveling off snow, use a plastic shovel to avoid gouging the finish.

Foothills with Walnut Accent

Fade Resistant

Armadillo will not fade from light and weathering exposure as measured by color change of more than 5 Delta E (CIE) units. Armadillo is designed to slow the effects of ultraviolet (UV) rays; however, no material is 100% fade proof when subject to years of exposure to UV rays.

Foothills

DESIGNED FOR BEAUTY, MADE FOR LIFE.

Our most popular product. **Armadillo Lifestyle's** uniquely fluted underside eliminates unnecessary mass and creates a deck board that is 20% lighter than comparable composite deck boards making it easier to handle and transport.

Smoke

ARMADILLO JOIST COVER

Protect the substructure of your deck. When leaves and debris get trapped between your deck boards and joists it causes deterioration. Armadillo Joist Cover protects the under-lying lumber where moisture collects to prevent rotting.

COLOR	SIZE	CODE
Driftwood	8', 24 pcs./unit	86308

ARMADILLO FLASHING

To ensure a longer lasting deck, direct water away from the house and over the ledger board to prevent moisture from seeping into the stud wall and rotting your deck supports. Easy to handle and lightweight, Armadillo Flashing is extremely tough and lasts longer than most metal flashings on the market.

COLOR	SIZE	CODE
Black	8', 24 pcs./unit	64610

Customize Your Deck Railing

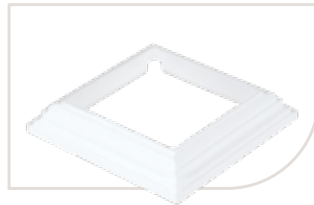

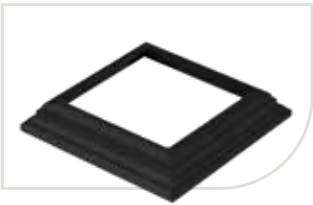

Armadillo PVC railing systems and kits are a beautiful alternative to wood. They are low maintenance, resistant to stains and fading, and are protected against rotting and insects. Our hand rail and bracket kits are made specifically for use with Armadillo 2x4s. You can also customize your deck with the railing of your choice, since Armadillo Post Sleeves, Post Caps, and Post Skirts are compatible with nearly any railing system on the market.

POST CAP

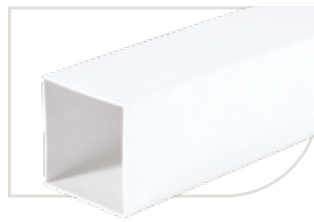

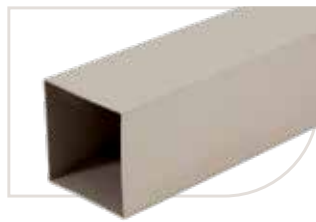

Armadillo Post Caps add an elegant finish to Armadillo Post Sleeves.

POST SKIRT

Armadillo Post Skirts provide a decorative finish the base of Armadillo Post Sleeves.

POST SLEEVE

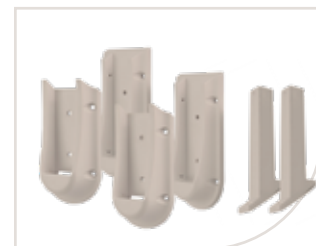

Armadillo Post Sleeves are 4x4 sleeves that slide over treated wooden 4x4 lumber and are commonly used for railing posts.

ARMADILLO HAND RAIL BRACKET KIT

Each kit includes 4 brackets, 2 support posts, 24 stainless steel color-matched bracket screws, 4 stainless steel color-matched support screws, and 2 Torx bits (T-15 and T-20). For use with Armadillo 2x4s (not included).

ARMADILLO STAIR RAIL BRACKET KIT

Each kit includes 4 brackets, 2 support posts, 24 stainless steel color-matched bracket screws, 4 stainless steel color-matched support screws, and 2 Torx bits (T-15 and T-20). For use with Armadillo 2x4s (not included).
